

Late-afternoon arrangement

After a day of working hard it is nice to relax on the beach with your colleagues or relations for a while. All your daily troubles will disappear like snow under a hot sun when you arrive on the beach. Clear your brains with some form of beach(foot)volleyball (max. 16 teams, consisting of 4, 5 or 6 persons). Tired but satisfied you will enjoy the lovely barbecue, see a beautiful sunset and listen to the murmur of the sea.

When you leave it all to Beachvolley Zoutelande, you are ensured of a lovely relaxing afternoon, without being bothered with the organisation or the food and drinks.

Reference Roompot, Kamperland, Netherlands Carin van de Velde:

“On the 2nd of July we played a beachvolleyball tournament with the employees of the head office of Roompot Vakanties. It was organised by Beachvolley Zoutelande. The tournament was planned very well and it was very social, and as a result everybody played very enthusiastically and fanatically. We will be back!”
